RE: USA v. Sunoco, Inc. et. al. - Civil Action No. 05 CV-02866

Dear Sirs:

Pursuant to Paragraph #114 of the Consent Decree entered in the above noted Civil Action, enclosed is Sunoco's fifteenth semi-annual progress report.

On September 8, 2012, Philadelphia Energy Solutions (PES) acquired the Philadelphia Refinery Property from Sunoco Inc. On April 18, 2013, a Fourth Amendment to the CD was entered in the US District Court for the Eastern District Of Pennsylvania transferring all provisions of the CD as they apply to the Philadelphia Refinery to PES. Therefore, as of the date of entry of the Fourth Amendment, Sunoco will no longer report on the status or progress under the Consent Decree as it relates to requirements at the Philadelphia refinery.

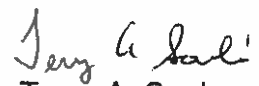

As of December 31, 2011, Sunoco shutdown all crude refining operations at the Marcus Hook refinery and, subsequently, rescinded the operating permits for the shutdown units. Having met all the requirements for Termination as described in Paragraph 245, Sunoco has initiated the process of terminating the consent decree.

Should you have any questions concerning the enclosed report, please contact me at 610-859-1695.

I certify under penalty of law that this information was prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted.
